Scale Scores

	Reading	Spelling, punctuation and grammar	Mathematics
WPS	104.1	105.7	103.5
2017 National Average			

Progress measures: Key Stage 1 to Key Stage 2

Interpreting progress scores – progress scores will be centered around 0, with most schools within the range of -5 to +5.

A negative score does not mean that pupils did not make any progress, rather it means they made less progress than other pupils nationally with similar starting points.

For example, if a school has a maths score of -4 this would mean that on average pupils in the school achieved 4 scaled scores less than other pupils nationally with similar starting points.

	Reading progress score	Writing progress score	Maths progress score
WPS School score	-2.3	-1.1	-2.7
