7th September 2017

Dear Parents and Carers

Once again, we are hoping that our school will be able to provide shoebox presents at Christmas for very poor children in two villages in Romania. We have managed to provide these gifts for a number of years now and it never fails to touch the children and staff when we see the photos and videos of the children in Romania clutching the presents that we have sent. You can watch a video of some of our presents being delivered at <http://www.lovelightromania.com/?portfolio=christmas-delivery> .

If you would like to be involved in this project, please sign and return the form below (by Friday 15th September). We will then give you the name and age of the child who will receive your gift. We will also provide a list of suggested items which you can include in your shoebox. **Please remember that this is very likely to be the only gift that the child receives so please don't include any second-hand items and try to ensure that the box is full.** We appreciate that doing this can be expensive, so it is quite alright to join forces with another family to fill a shoebox. If you prefer, you could send new items into school separately and we can make up some boxes collectively.

All boxes will need to be returned to school by Friday 30th October (the day after the half-term holiday) so that they are ready for collection and delivery to Romania.

Thank you so much for your support with this project – It really is very much appreciated.

Yours sincerely

Mrs A Gallimore
