Football Tournament - Wednesday 27th September

Dear Parents/ Guardians

A football tournament has been arranged through South Derbyshire School Sports Partnership at John Port School 3G pitch for Wednesday 27th September. The event begins at 4 p.m. and is due to be finished by 6.00p.m. At this stage I need to get an idea of who is available to play on the night before further information can be sent. I am sure you appreciate there are quite a few children who would like to take part but that some will be disappointed as we cannot take them all to the event (we will be taking about 10 children).

Can you please return the slip below by Friday 15th September so I can organise the team for the event.

Please be aware that we are unable to transport the children to and from the event and we are therefore reliant on parental support for transportation. Many thanks for your continued support.

B Powell

My child is available to play
(if selected) in the John Port School 3G pitch on Wednesday 27th September.

Signed Date

I will be transporting my child to and from the game.

I will be making arrangements for my child to be safely
transported to and from the game.
