

Sport premium funding

Total to be spent £8940

What is the Sports Premium?

The government has provided funding of over **£150 million per annum** since 2013/14 to improve PE and school sport in primary schools. From September 2017, the funding will be doubled to enable primary schools to make further improvements to the quality and breadth of the PE and sport they offer. The funding is being jointly provided by the Departments for Education, Health and Culture, Media and Sport, and will see money going directly to primary school headteachers to spend on improving the quality of sport and PE for all their children. Recently the government have committed to funding the primary school Sports Premium up until 2020 - an investment worth £750 million.

Purpose of the funding

Schools will have to spend the sport funding on improving their provision of PE and sport, but they will have the freedom to choose how they do this.

Possible uses of the funding include:

- Hiring specialist PE teachers or qualified sports coaches to work alongside primary teachers when teaching PE
- New or additional Change4Life sport clubs
- Paying for professional development opportunities in PE/sport
- Providing cover to release primary teachers for professional development in PE/sport
- Running sport competitions, or increasing participation in the school games
- Buying quality assured professional development modules or material for PE/sport
- Providing places for pupils on after school sport clubs and residential visits

More funding is being released and when it is definitely approved we will extend the sports premium funding plan accordingly. The new plan will be on the website as soon as possible.

Focus area	Evidence/ reasoning	Action plan (based on review, key actions)	Effective use of funding (summary of how funding will be used to support action plan)	Estimated cost	Impact (the difference it has/ will make)
Joining the SSP	Access to quality coaches, schemes & events	Children to access more variety in the curriculum, teachers benefit from	Teachers and children through the SSP will have access to 560, physical literacy & fundamentals programme, table	£1500.00	.

		observing sessions for ideas/ strategies.
