Friday 18th November 2016

Dear Parents,

Christmas Production

Our school production this year is all about Christmas traditions.

The Year 3 children will be learning and performing the traditional poem 'Twas the Night before Christmas' by Clement Clarke Moore. The children will be reading the poem as their 'bedtime story' and so as a costume your child will need pyjamas and slippers – nice and simple!

Costumes need to be brought into school, in a named plastic bag on Friday 2nd December.

We really appreciate your help in providing a costume. If you need any further information, please contact us at school.

Many thanks

Mrs N Robinson Mrs T Lea
