Thursday 2<sup>nd</sup> February 2017

Dear Parents,

## **Fundraising for Water Aid**

As part of our topic work on the 'Water Cycle,' we will be finding out about the organisation 'Water Aid.' This work will involve the children learning about issues in other countries and how 'Water Aid' supports people less fortunate than us.

On Thursday 9<sup>th</sup> February, the Year 3 children will be having a fundraising 'Pyjama Day' for Water Aid. The children can wear their pyjamas, dressing gowns and slippers to school. The children can bring their slippers to school in a plastic bag, which they can change into whilst indoors.

There will be an empty water bottle in the Year 3 classroom and the children will be asked to make a donation, in return for wearing their pyjamas, to Water Aid.

Any donations for Water Aid to be put into the empty water bottle on Pyjama Day.

With thanks

Mrs N Robinson
